

These are companies who have the appropriate street works accreditation, which is required for working in the Public Highway.

This is **NOT** a list of contractors who are recommended by Warwickshire County Council, but have carried out work in the Public Highway to the required standard and inspections.

ACCREDITED STREET WORKS CONTRACTORS

This list is made up of contractors known to Warwickshire County Council. Alternative contractors may be used providing they have up to date Street Works accreditation and a minimum of £5million Public Liability Insurance.
